

About us

Genesis Software (pvt) Limited is the technology arm of the diversified FINCO group of companies. **The Finco Group of companies was established in 1948** and Genesis Software was incorporated in 2001 and has over **20 years of experience** in providing technology services in Sri Lanka.

For more information regarding Genesis Software and the Finco Group of Companies please see www.genesiis.com and www.fincogroup.com

*Since 2001 Genesis has been the primary reseller for **Space Imaging USA**, which rebranded as **GEO EYE**, and in 2010 amalgamated to become the largest satellite service provider in the world known as **Maxar (USA)**. Genesis also represents **HEAD Aerospace (China)** and has a good working relationship with other satellite imagery providers including **Airbus (France)** and **Zi Yuan-3A (China)**. Genesis is also the authorized Maxar satellite imagery reseller for the **Maldives Islands***

***Genesis has delivered more than 25,000 sq.km** of imagery since 2010 for a wide variety of projects in Sri Lanka and the Maldives including the Gamadiriya initiative by Gamidiriya Foundation under the supervision of the Ministry of Nation Building and Estate Infrastructure Development, covering an area of 5,800 sq.km of 1m GeoEye satellite imagery data covering seven districts in Sri Lanka.*
